Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: Claims 1-14, 17, and 18 are allowable over prior art references because related references do not disclose all the limitations of the claims, particularly generating a pseudo-random binary sequence for modulating sub-signals, wherein the initial value for the binary sequence is set in accordance with a frequency or sub-channel number. The transmitted signal also includes a main signal generated based on information source data along with the modulated sub-signals.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
